

Premier Opulence Wealth LLC Privacy Policy

At Premier Opulence Wealth LLC (POW), one of our main priorities is the privacy of our visitors and users. This privacy policy document outlines the types of information that is collected, stored and used by POW. All data is obtained explicitly from the POW Opulence Net Worth Tracker (ONWT) app only.

Users utilizing the Google Play based ONWT mobile application are subject to the conditions of this privacy policy document with regards to the information that is shared with and collected by the ONWT app. No data is collected, recorded or stored outside the Premier Opulence Wealth LLC mobile app. If you have any questions, require more information, or would like to submit an inquiry about our privacy policy, business operations, mobile application or other issues please do not hesitate to contact us at welcome@premieropulencewealth.com, or through the contact form available on the [Contact](#) page.

1. The Type of Information POW Collects and Utilizes

1.1 Information You Provide

When You use the ONWT Google Play application to calculate Your net worth, we ask You to provide certain personal information consisting of the following:

- An approximate user age to provide accurate comparative net worth analysis
- Financial figures for all questions pertaining to the assets and liabilities app sections

Providing any data within this mobile application is optional, leaving You with complete control over the type(s) of information You choose to provide and the accuracy of such information provided without impacting the performance of the app. The financial insights generated by the ONWT application may have limited usability, application and/or accuracy if the user withholds or inputs inaccurate data.

Providing this data signals Your willing consent to allow ONWT to store and utilize the data provided for the purposes of net worth calculation and analysis, for as long as the user utilizes the ONWT's services.

1.2 Information POW Collects and Utilizes

When You use the ONWT Google Play application to calculate your net worth and receive a personalized net worth analysis based on your responses, ONWT collects only the information You willingly provided as described in [1.1](#). No additional information is collected pertaining to Your personal information, nor is any device information such as any identifying attributes collected. No sensitive app permissions are required or utilized at any time during the life of the ONWT application.

2. How does POW use the Collected Information?

The information POW collects through Your providing of it is used in the following ways:

2.1 Your approximate age

The approximate age You choose to disclose, if any, is used to allow the ONWT application to tailor Your net worth result to an accurate comparison model that provides the user with precise and relevant financial analysis into their net worth, determined by comparing your net worth to the median net worth in the same age category as You (the user), selected (if applicable).

2.2 Your financial figures

The financial data figures for any of the questions You choose to disclose are used exclusively for calculating Your total net worth amount and comparing it against a median net worth for the age group You selected to produce an accurate financial insight of Your current net worth standing.

3. How does POW Store and Share the Collected Information?

3.1 Storing the Collected Information

The data You choose to share with the ONWT application and the data the application collects is stored only in a local application file on the mobile device the user is using to access the ONWT application. Data contained within this file nor the file itself is stored in any other location, and access to this data is limited only to the ONWT application itself.

3.2 Sharing the Collected Information

The data You choose to share with the ONWT application, and the data POW collects is not shared with any non-native app functions or services, nor with any servers, third-party software, or companies.

4. The Life of Collected Information and Data Deletion

4.1 How Long is the Information POW Collects Stored for?

The data You choose to share with the ONWT application and the data we collect is stored only for as long as is necessary to provide You with the functionality and services You requested and utilized. As all data is stored locally on the device, removing the ONWT application from Your device will clear all user data consisting of Your approximate user age and all of Your financial responses, if any such data exists.

4.2 How Do I Delete This Collected Data?

To permanently delete all collected user data, the user may follow the steps below:

1. Navigate to the “**Net Worth**” page utilizing the in-app navigation at the top left corner of the app
2. Click the “**Clear & Return to Main Screen**” button at the bottom of the screen

A confirmation message will appear, and the user will be redirected to the main application screen.
